The latest edition to this thrilling range gives those with smaller yachts the opportunity to truly experience these high-performance, super-fun tenders. Designed to fit on the back of 16m+/52ft+ motor yachts, it might have a smaller LOA, but that doesn't stop it seating five adults. The BRP Rotax engine also packs a punch, while the sports hull gives impressive stability to create an exceptional craft. Whether you're pulling a skier or going in search of unspoilt turquoise coves and deserted golden beaches – it's always a pleasure.
