

2008 Williams Turbojet 285 £6,950 VAT UK TAX paid

2008 Williams TurboJet 285 with a Weber Petrol engine. The Turbojet 285 will fire up at a turn of the key and immediately settle into a quiet unobtrusive idle, but throw open the throttle and hold on for a truly exhilarating ride.

Powered by the powerful Weber engine, the Turbojet 285 has a level of performance which belies her size. A sports boat hull ensures she will hold tight in turns even if driven hard, and waterskiers will delight in her ability to track in a straight line - altogether an unexpected experience in such a compact boat. Able to carry three adults with ease, the Turbojet 285 can also be used for general ferrying duties making her a great practical tender choice for any yacht.
