

**2017****Williams Turbo Jet 325 Sport 100HP  
£14,950 VAT UK TAX paid**

2017 Williams TurboJet 325 Sport fitted with a 100HP Webber petrol engine, Specification includes; Standard White & Grey Tubes / White Upholstery / Grey non slip foot pads / Anthracite Grey Helm Console / Carbon effect dash / Bathing ladder.

The Turbojet 325 will rocket from standstill to 30 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the Webber engine driving through a high performance jet pump system.

The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking.

As with all Turbojets the fuel economy is impressive, giving extended use between refuelling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
