

**2009
Fairline Phantom 48
£399,950 VAT UK TAX paid**

This superbly presented 2009 Fairline Phantom 48 is a fine example of one of Fairline's most sought-after flybridge models, seamlessly combining performance, comfort, and timeless design.

Powered by twin Volvo Penta D9 575hp engines with just under 400 hours, she offers smooth, assured cruising. The engines have been meticulously maintained, with comprehensive annual servicing including belts and all key components.

Between 2024 and 2025, the vessel underwent an extensive refit, elevating her to modern standards. Upgrades include new interior and exterior upholstery, new carpets throughout, and a complete set of updated covers, including a newly fitted flybridge tonneau cover. The result is a fresh, contemporary finish both inside and out.

The accommodation is both practical and luxurious, comprising three well-appointed cabins and two ensuite bathrooms, along with a single crew cabin—making her ideally suited for extended cruising with family and guests.

This Phantom 48 offers generous entertaining space, with a great size cockpit, well-laid-out flybridge, and comfortable sunbathing areas, all presented in excellent condition as a result of the recent upgrades.
